

## Deborah's Chocolates and Gifts

Step into a world of wonder at Deborah's Chocolates and Gifts on Dundas Street in Woodstock. Owner Debbie MacLeod invites you to cross the threshold of the 1875 heritage building. This elegant, Victorian-inspired chocolate and gift mecca is also the home of the Belgian Chocolate Fountain—the perfect rental for weddings and any special occasion that calls for a party. Debbie started her venture in retailing offering Roger's Chocolates, an exceptional array of fine chocolates, in 1998. She is enthusiastic about offering these premium products and inspired gifts. The old-fashioned upbeat chocolate store provides special service that will make you feel welcome and wanting to return for many visits. Visitors to Deborah's Chocolates and Gifts can enjoy the personable service of a specialty store. They draw a relaxed clientele that enjoys a chat, unlike the big box stores. The owner especially enjoys the fact that she is able to fulfill a dream while also putting her family first, a case of having your chocolate and eating it, too.
